Who We Are

The Johnstown Community Improvement Corporation (CIC) is a (501)(c)(4), not-for-profit organization formed in 2019 by the Village of Johnstown to promote industrial, economic, commercial and civic development—as well as business attraction, retention and expansion – in the Village.

Board of Directors

The nine (9) member Board of Directors **volunteer** their time for the administration of the JCIC. All funds generated by the JCIC go right back into the budget for future projects.

What We Can Do

A CIC has very broad powers under R.C. 1724.02 that include: the ability to borrow money for any purpose of the CIC; provide loans to individuals or businesses; buy, lease, or sell real or personal property; acquire the assets of individuals or businesses; charge fees to political subdivisions for services; enter into contracts with federal, state, and local governments; apply for and administer grants.

Future Projects

The Johnstown CIC is ready to get to work. We have identified four (4) priority projects that will help bring jobs and opportunity to the Johnstown community. The projects include:

1. Village Website Refresh (currently underway)
2. Establish and Co-Work / Business Incubator (in planning phase)
3. Invest in Fiber Optic Infrastructure (in investigation phase)
4. Establish the Johnstown Enterprise Center (currently underway)

How You Can Invest

CIC funding can come in all different areas including municipal general funds, donations from companies, membership dues, grants, contracts for services, and proceeds/fees from property sales.

Your financial support is needed to leverage the commitment already made by many local businesses and governmental organizations.

Investment Level			
Supporter	Silver	Gold	Platinum
\$1,000	\$2,500	\$10,000	\$20,000
<i>All donations are tax deductible</i>
