

# VILLAGE OF JOHNSTOWN

## RESOLUTION 2016-25

### **A RESOLUTION AUTHORIZING THE VILLAGE MANAGER TO ENTER INTO AN AGREEMENT WITH LAYTON, INC. FOR THE OREGON-WILLIAMS STREET STORM SEWER IMPROVEMENTS**

**WHEREAS**, the Village of Johnstown advertised for qualified companies to submit bid proposals for the Oregon-Williams Street Storm Sewer Improvements, and;

**WHEREAS**, sealed, qualified bids were opened July 22, 2016 at 11:00 am in the Village Office; and

**WHEREAS**, the Village Engineer and Village Manager have reviewed the bid applications for said improvements and opinion is attached hereto, and;

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF JOHNSTOWN, STATE OF OHIO, AND THE MAJORITY OF THE MEMBERS ELECTED THERETO CONCURRING THAT:**

**Section One:** The Village of Johnstown awards the bid for the Oregon-Williams Street Storm Sewer project to Layton Inc. as they had the lowest (\$69,642.00) and best bid received in accordance with the specifications upon which such bids were received.

**Section Two:** The Village Manager is hereby authorized and directed on behalf of the Council of the Village of Johnstown, to enter into an agreement with Layton, Inc. regarding the Oregon-Williams Street Storm Sewer Improvements.

**Section Three:** It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Council and that meetings of any of its committees that resulted in such formal action were meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code and the Charter of the VILLAGE OF JOHNSTOWN.

**Date of Introduction/ Public Hearing/Passage:** August 2, 2016

RE: Oregon/Williams Storm Sewer Improvements  
Bid Recommendation

Dear Mr. Liggett:

Bids were received on July 22, 2016 for the construction of the Oregon/Williams Storm Sewer Improvements. The bids were reviewed and tabulated. A copy of the bid log and bid tabulations are enclosed.

Three bids were received for the project: Enviro-Construction, Inc., Layton, Inc. and TLV Services. The lowest bid for the base bid was from Layton, Inc., located at 169 Dayton Road, Newark, OH 43055. Layton's bid package submittal was complete and they did not take any exceptions to their bid. Each of the bids received either did not bid on the alternate, or the alternate was an increase to the base bid.

Layton's bid for the Base Bid was \$69,642.00 and they did not submit on the alternate bid. Each of these bids received were below the Engineer's Estimate of \$98,000. A copy of their bid submittal is attached. Layton has performed very well for the Concord Road Improvements and the ongoing West Jersey Street Improvements projects.

The Village's Law Director should review Layton's bid proposal for conformance with local and state regulations. If the Law Director determines that Layton's bid meets the intent of Johnstown's ordinances, we recommend to award the contract to Layton. Should the Village Law Director find flaw with the apparent low bidder the second bidder would require further bid examination. If you have any questions, please do not hesitate to call. We look forward to the successful completion of this project.

Sincerely,

CH2M Hill Engineers, Inc.

James Decker, P.E.  
Project Manager
